

ACKNOWLEDGEMENT LETTER

Dear Dr Ho Lee Hoon,

With all sense of gratification, I would like to appreciate you for all your support as my supervisor through my journey as a Master student of food processing and technology at University Sultan Zainal Abidin, Malaysia. You are a courageous leader with exemplary characters who believes that those who have lights should allow others to light their candles for your reconstruction, corrections, kindness, promptitude, and thoroughness, which had facilitated my work.

I put on record and appreciate your detailed comments, useful suggestions and inspiring queries which have considerably improved my laboratory skills, data analysis, and thesis writing e.t.c. Despite your commitments you took time to listen and attend to me whenever requested. I remembered when you waited for me at school (during my lab work) as late as 10pm to drop me off at hostel and also sometimes took and drop me off for lab work during weekends.

I am sincerely grateful for all your guidance and support. Thank you for everything.

Yours Sincerely,

Zainab Abdussalam
